

## Community Ice Rink Request

Pledge your commitment by starting and maintaining an ice rink at your local park. The Parks and Open Space Department will provide rink boards and water access, if a winterized source currently exists in the park, as well as tips on making ice.

### Steps to take:

1. Meet with others in your community to ensure the rink is desired by residents bordering the park. Names, addresses and signatures of residents adjacent to the park must be obtained and provided to the department.
2. Get a commitment from the community by obtaining water access where none exists within the park, and scheduling snow clearing and flooding duties.
3. Complete the form below and mail to:

The Town of Oakville  
Parks and Open Space Department  
1225 Trafalgar Road, P.O. Box 310  
Oakville, ON L6J 5A6  
Attention: Jane Arnett-Rivers  
Manager, Parks and Open Space  
or  
Fax: 905 338 4227  
E-mail: [jarnett-rivers@oakville.ca](mailto:jarnett-rivers@oakville.ca)

This is a great way to enjoy winter while bringing your neighborhood together to have some fun.

Preferred Rink Location in Park: \_\_\_\_\_

Department property i.e., water key, if provided, will be picked up by March 15<sup>th</sup> with arrangements being made by calling the Parks and Open Space Department at 905-845-6601, Ext. 3324

Failure to return Town property will result in request for a rink being denied in the future.

Parking lots on-site will not be maintained during winter months to accommodate rink patrons.
