

Make a difference and consider the exciting world of aquatics as a part-time career.

As a lifeguard/instructor in aquatics, you could get a great summer job or even a part-time position while you attend school. Aquatics is a fun, rewarding experience. Work with people and gain valuable life skills.

Experience challenge and opportunity... grow in your job and as a person.

Please check the prerequisites before you register!

- Bronze Medallion and Emergency First Aid with CPR "B" are prerequisites for Bronze Cross
- Bronze Cross, Standard First Aid with CPR "C", and 16 yrs. of age are prerequisites for National Lifeguard Service.
- Bronze Cross/NLS, 16 years are prerequisites for Instructors.

All Lifesaving Society certifications are current for two years from the date of issue.

When a First Aid certificate from an agency other than the Lifesaving Society is used as a prerequisite, please submit the original and a photocopy of this award to your instructor in order for the Lifesaving Society to issue your certification.

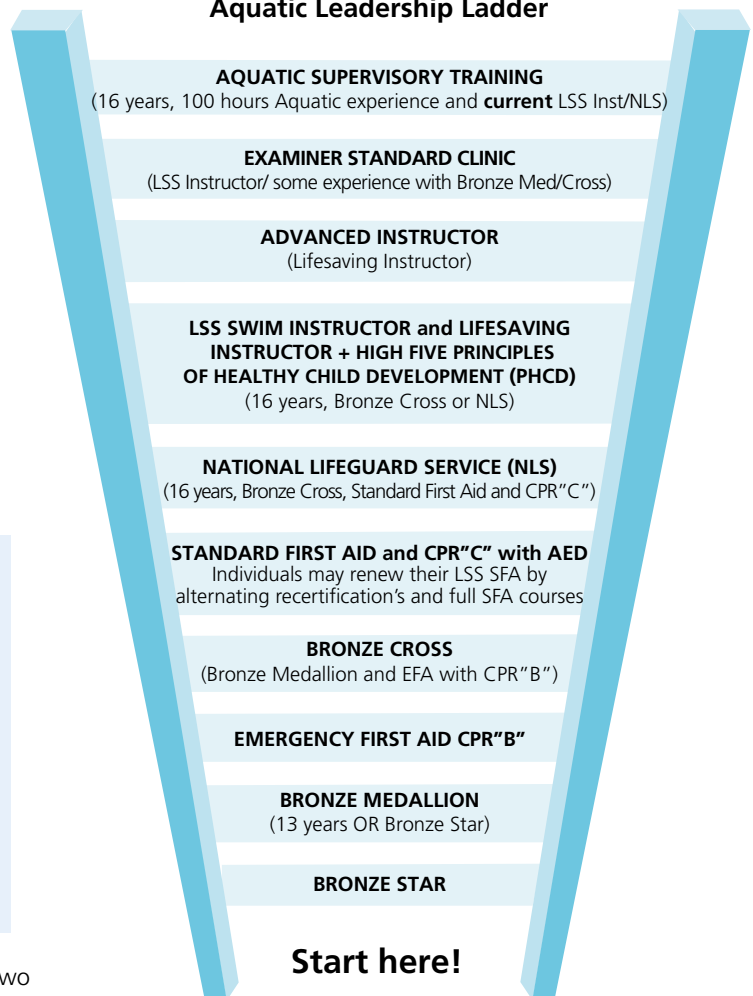

If there is a lapse of more than 3 years since taking the full SFA and CPR C/AED, candidates cannot take an SFA CPR C/AED recertification. They must take a full course.
