7. For each service for which a development charge is collected during the year, whether, as of the end of the year, the municipality expects to incur the amount of capital costs that were estimated, in the relevant development charge background study, to be incurred during the term of the applicable development charge by-law, and if not, the amount the municipality now expects to incur and a statement as to why this amount is expected
  - a. The town's 2022 development charges background study includes a Gross Expenditure and Sources of Revenue Summary For Costs to be Incurred Over the Life of the By-law (Table 6-3). Each year as part of the annual budget process, the town updates its forecast for residential and non-residential growth, and the timing of infrastructure required to maintain service levels due to growth. As of the end of 2022, the town expects to incur the amount of capital costs that were estimated in the 2022 development charges background study for the following services for which development charges were collected: general government, library, fire, parks and recreation, transit, services related to a highway, and by-law enforcement. Development charges were collected for municipal parking; however, due to changes in the *Development Charges Act, 1997* regarding eligible services, municipal parking was not included in the town's 2022 development charges background study. The development charges collected for municipal parking were utilized in accordance with the prior background study
