## Online Consolidation of North Oakville Zoning By-law 2009-189

Council passed the North Oakville By-law 2009-189 on November 23, 2009. This webpage hosts a consolidation of the By-law as amended since that time. It is a reference document prepared for the convenience of all users.

Although the sections of the text and mapping are updated on a regular basis through [Explore Oakville](#), it is advised that you contact the Building Services department to ensure you are viewing all applicable regulations related to building projects, and the Planning Services department for any questions about development projects or project timing.

Contact ServiceOakville at 905-845-6601 to be connected through to either department, or to request materials to be prepared in an alternative format.
