DISCUSSION QUESTIONS

1. Consider the Existing Urban Structure. Are there elements which should be deleted or modified?

2. Referring to the Map to the left, what is the relative priority of each of the elements listed? Please rate in the box beside the list from 1 through 10 (1 is the highest importance).

3. In the space below each element, please comment on why the element is important or less important relative to other Urban Structure Elements.

4. What other Urban Structure Elements are missing and what other issues should be considered?

EXISTING URBAN STRUCTURE ELEMENTS

1. All Components Including Residential Areas
