

Site Alteration Permit Exemptions

Please be advised that the following building activities **do not require** a Site Alteration Permit; provided no grading works are proposed:

1. 2nd floor Additions/ renovations and/ or roof changes.
2. Demolition Permits
3. Decks (using drilled supports/ sono tubes)
4. Interior underpinning
5. Weeping tile installation/ repairs
6. Foundation waterproofing
7. Municipal services – installation, repair/ replacement
8. Basement Walkouts
9. Fireplace/ chimney additions
10. School Portables

Please note that applications may still require additional permits based on the extent of works proposed.

Permits may still be required for:

- a. Works with the Town's ROW
- b. Tree Protection Agreement
- c. Temporary street Occupation Permit (TSO)

Please note:

All Town of Oakville By-Laws are enforceable regardless of issuance of permit. It is the applicant's responsibility to review applicable By-Laws and abide by the restrictions therein.

By-Laws may be found on the Town of Oakville's website at www.oakville.ca/bylaws
