RE: Review and Acceptance into the Provincial Register of Reports: "The 2007-2008 Stage 1-2 Archaeological Assessment of the Arrassa Investments Inc. Property & Timsin Holding Corp. Property, Part of Lot 16, Concession 1 NDS, Geographic Township of Trafalgar, Town of Oakville, Ontario", Dated July 2008, Received by MCL on August 1, 2008, Revised Report Received October 24, 2008, Municipal File Number 24T-05025, MCL Project Information Form Number P053-157-2007, MCL RIMS Number 24SB392

Dear Ms. Dodd,

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.

As the result of our review, this Ministry accepts the above titled report into the Provincial register of archaeological reports. The report indicates four archaeological sites, Timsin 1, Timsin 2, Timsin 3 and Timsin 4, were found on the subject property and it is recommended that they be considered sufficiently documented. This Ministry concurs with the recommendation that the Provincial interest in the archaeological sites identified as Timsin 1, Timsin 2, Timsin 3 and Timsin 4 has been addressed.

Given the above, this Ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by Figure 3 of the above titled report and as depicted by the revised draft plan of subdivision (24T-05025) for part of Lot 16, Concession 1 N.D.S. in the Geographic Township of Trafalgar, Town of Oakville, R.M.

of Halton, prepared by Bousfields Inc., drawing number 9544-6-35dp, dated October 2, 2008, comprising a total area of 16.546 hectares.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Katherine Cappella', written over a horizontal line.

Katherine Cappella

Archaeology Review Officer, Central West Region
