

To be the most livable town in Canada.

Hospital District Study

Dear property owner,

As part of the Town of Oakville's ongoing Official Plan Review, we are planning how the town will manage growth – new residents and jobs – from now until 2041. Our urban structure directs growth to nodes and corridors that are intended to become higher density, transit-supportive, mixed use communities over the long term.

We are planning for a new node around Oakville Trafalgar Memorial Hospital.

We are creating an area plan for the Hospital District which includes the lands north of Dundas Street at Third Line around Oakville Trafalgar Memorial Hospital. The plan will consist of land use designations and policies that support a complete community vision for North Oakville, and town-wide mission and principles for a livable community.

Public workshop

You are invited to a workshop to review the study results to date and to evaluate draft land use scenarios for the Hospital District (see map).

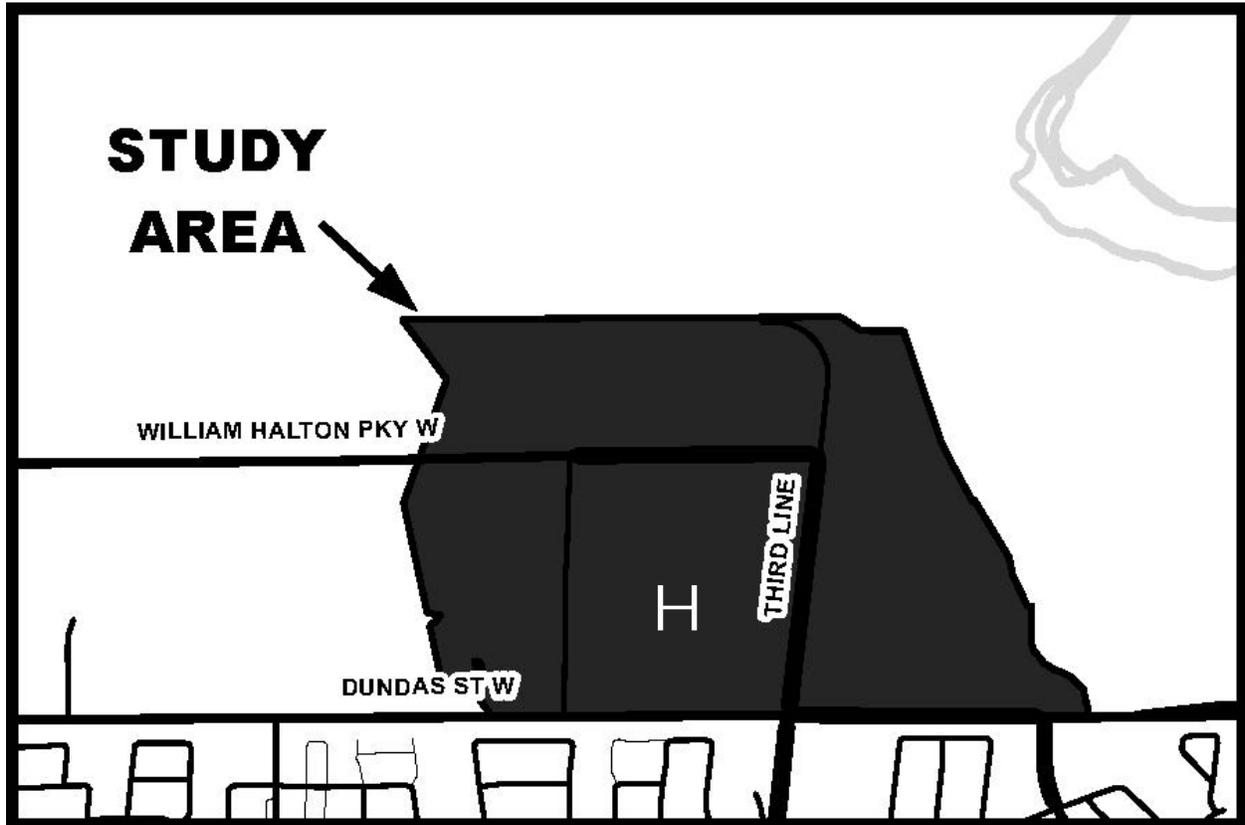

Monday, November 25, 2019
6:30-8:30 p.m. Presentation at 7:00 p.m.
Queen Elizabeth Park Community and Cultural Centre
Rehearsal Hall
2302 Bridge Road, Oakville

To register, please contact Kirk Biggar, Senior Planner, at kirk.biggar@oakville.ca or at 905-845-6601, ext. 3968.

Please note that this event is combined with a workshop about the town's Palermo Village Growth Area Review.

If you have any accessibility needs, please let us know one week before the workshop by contacting Kirk Biggar, or by filling out the accessible online feedback form on oakville.ca

Hospital District Study Area

Landowner meetings

Owners of lands within the study area (see map) are encouraged to attend the public workshop. You may also contact Kirk Biggar to arrange a separate meeting to discuss your property.

Stay informed

Visit oakville.ca to learn more about the Hospital District Study, the Palermo Village Growth Area Review and other Official Plan Review projects. You may also join our email list to receive future updates about Official Plan Review projects, including the Hospital District Study.

Dated at the Town of Oakville November 6, 2019.
