

Outdoor rink users

COVID-19 Restrictions

Stay at least 2 metres (6ft) from other users not from the same household.

Masks are strongly recommended when engaging in outdoor activities.

If you are not feeling well or have been in contact with someone who is ill, do not use the outdoor ice rink.

Team sports must not be practised or played (no games or scrimmages). No nets/or shooting targets.

Outdoor ice rink amenities are not sanitized. Users should wash and sanitize their hands before and after use.

Rink use guidelines

Outdoor ice rinks are unsupervised. Use at your own risk. Parents/guardians must supervise their children at all times.

Be courteous and share the space with others. Skates are limited to 45 mins to ensure all have a chance to skate.

Please return at a later time if the outdoor rink is busy or full.

Inspect rink surface and area prior to use.

CSA-approved hockey helmets are strongly recommended.

To report a COVID-19 concern, please call ServiceOakville at 905-845-6601.
