

May 1, 2020

Good afternoon Oakville Boaters,

Happy first day of May! There is a little light on the horizon as we reach out to you, on our Notice to Boaters Covid -19 Update, week number four.

The harbours team have made excellent progress with main dock set up on the 16 Mile Creek and will continue next week with installation of Mediterranean moorings.

Mooring payments have now been deferred until May 31. We are hoping to return to the office sometime in late May, this date is still to be determined.

Both marinas remain closed to the public and the water and hydro services remain off. The washrooms are also not in service at this time. Scheduling for future maintenance appointments is being discussed and remains to be determined.

Starting Monday May 4th appointments are available for boaters wishing to remove tarps and inspect their vessels. Appointments to charge batteries will also be considered depending on the proximity of vessels to power sources. Bookings are for a 2 hour window of time, with up to two people per boat. I will be onsite at the gate to screen customers as they arrive. Please ensure you arrive on time for your appointment and be prepared to leave the yard as scheduled. The wearing of gloves is recommended and face masks are optional when on site. To schedule an appointment for tarp removal or to inspect your vessel, please send a request by email to the Harbours Administrator.

No vessels will be launched until the Provincial Emergency is rescinded and the Town reopens its facilities. At this time, launches remain on hold until at least May 31.

In the event your vessel is not launched the mooring contract will be reversed and replaced with a summer storage contract. The \$250.00 mooring deposit can be used to secure your mooring for the 2021 season. See attached PDF for more information. To cancel your mooring please send a request by email to the Harbours Administrator.

You can reach **Amy Johnson – Harbours Administrator** at 905-845-6601 ext. 4091 or by email at amy.johnson@oakville.ca . Office hours are Monday to Friday 8:00am until 4:00pm. For after hours please contact Service Oakville at 905-845-6601.

Thank you again for your patience and cooperation, working with us to get through this health crisis.

Please continue to stay safe, healthy and stay home.

Sincerely,

James Woloszanski- Acting, Supervisor of Harbours
