Terms and Conditions

Please note that opportunities are for financial sponsorship only. There are currently no mechanisms in place for adoption with shared work/maintenance at this time. Payment is due with your application. Locations are subject to availability at time of submission. Pro-ration of unsponsored displays will be considered: schedule is available on request. Duration of display season is weather dependent and consists of approximately four months between planting in May and take-down in mid-September. There are no refunds on signage after the application and payment is received from the sponsor. The Town of Oakville is not responsible for damage or loss of signs. Damaged or vandalized signage will be replaced to original specifications once per year, after which further damage remediation will be at the expense of the sponsor, or will be removed from the site. The Town of Oakville will determine floral display design, plant species and colour. The Town of Oakville reserves the right to reject any applications not deemed appropriate and to give preference to sponsors by proximity to sponsorship locations. The Town reserves the right to reverse the application due to unforeseen events upon full reimbursement of monies received. Sponsorship applications will be accepted at the Parks, Recreation and Culture Department at Town Hall, 1225 Trafalgar Road, L6H 0H3, or by phone, fax or electronic submission. Every effort will be made to accommodate sponsor's first choice in floral display location, however, selection is on a first come, first served basis. Date and time of receipt of payment will determine queue order for sponsorship applications. In-person applications will take priority over electronic.
