Healthy Swim Etiquette

To reduce the risk of spreading germs and to keep our pools clean, please remember the following tips when enjoying our facilities:

Shower before you swim

Please shower with soap and warm water before entering or re-entering the pool deck. It's clean, it's green, it's the law!

Wear appropriate footwear

Bring clean flip flops or sandals to wear on the pool deck. No street shoes please.

Not feeling well?

Swimmers should refrain from using the pool when ill, or if they have experienced diarrhea in the past week.

Prevent pool fouling

Please refrain from feeding children or eating large meals before swimming. All swimmers are encouraged to visit the washroom before entering the pool.

What to wear?

Patrons on the pool deck must be dressed in suitable bathing attire and pay the posted admission fee. Children that are not toilet trained must wear swim diapers made for swimming pool use. These are available for purchase in the pool office.

Food-free zone

Only water is permitted on the pool deck. Don't forget to bring your reusable drinking containers.

Strollers

Strollers are not permitted on our sanitized decks. Parents and guardians are reminded that children should never be left unattended.

Photographic devices

The use of any photographic device capable of rendering a photographic image is prohibited in the showers, change rooms, washrooms and pool area.
