

To be the most livable town in Canada.

Notice of Study Completion

Tannery and Waterworks Parks Shoreline Improvements Municipal Class Environmental Assessment (EA)

Public review of the Environmental Study Report available until August 1, 2015.

The Town of Oakville has completed the Tannery and Waterworks Parks Shoreline Improvements Class Environmental Assessment and the study report is now available for public review for 30 days.

The shoreline along Tannery and Waterworks Parks, between 16 Mile Creek and Kerr Street south of Walker Street, is in poor condition. The study was undertaken to develop shoreline improvements that stabilize and rehabilitate Tannery and Waterworks Parks shoreline and meet the objectives of the Oakville Harbour West Shore Master Plan for improved park function and connectivity. The overall preferred concepts for the shoreline improvements at Tannery Park and Waterworks Park are presented in the final environmental study report. The study was completed in accordance with the requirements of a Schedule C project as outlined in the Municipal Engineers Association (MEA) Municipal Class EA document (October 2000, as amended in 2007 and 2011), which is an approved process under the *Ontario Environmental Assessment Act*.

The final environmental study report is available for review online at oakville.ca (search for Tannery EA) or in hard copy at the following locations:

Town Hall

ServiceOakville, Engineering and Construction, or
Clerks Department
1225 Trafalgar Road, Oakville, ON L6H 0H3

If concerns regarding this project cannot be resolved in discussion with the municipality, you may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address listed below by August 1, 2015.

A copy of the request must also be sent to the town representative.

If no request is received by August 1, 2015, The Tannery and Waterworks Parks Shoreline Improvements study will proceed as outlined in the Environmental Study Report.

The Minister of Environment and Climate Change

77 Wellesley St West, 11th Floor

Toronto, ON, M7A 2T5

Fax 416-314-8452
