## General Information

*The information contained in this section applies only to benefits for which Sun Life Assurance Company of Canada is the insurer or plan administrator.*

### **About this booklet**

The information in this employee benefits booklet is important to you. It provides the information you need about the group benefits available through your employer's group contract with Sun Life Assurance Company of Canada (*Sun Life*), a member of the Sun Life Financial group of companies.

Your group benefits may be modified after the effective date of this booklet. You will receive written notification of changes to your group plan. The notification will supplement your group benefits booklet and should be kept in a safe place together with this booklet.

If you have any questions about the information in this employee benefits booklet, or you need additional information about your group benefits, please contact your employer.

The contract holder, The Corporation of the Town of Oakville, self-insures the following benefits:

- Extended Health Care
- Dental Care
- Emergency Travel Assistance
- Health Spending Account

This means that The Corporation of the Town of Oakville plays a role similar to that of an insurance company for its employees. The Corporation of the Town of Oakville has the sole legal and financial liability for the benefits listed above and funds the claims from its net

income, retained earnings or other financial resources. Sun Life provides administrative services only (ASO) such as claims processing. All other benefits are insured by Sun Life.

**Eligibility**

To be eligible for group benefits, you must be a resident of Canada and meet the following conditions:

- you have a contract with your employer for a minimum of two years
- you are actively working for your employer at least 35 hours a week.
- you have completed the waiting period.\*\*

\*\*If your contract is renewed after the first year, the waiting period will be waived. Contract staff with an initial contract duration of two or more years must satisfy the waiting period.

The waiting period for your group plan ends on the last day of the month in which you have completed 3 months of continuous employment.

We consider you to be actively working if you are performing all the usual and customary duties of your job with your employer for the scheduled number of hours for that day. This includes scheduled non-working days and any period of continuous paid vacation of up to 3 months if you were actively working on the last scheduled working day. We do not consider you to be actively at work if you are receiving disability benefits or are participating in a partial disability or rehabilitation program.

Your dependents become eligible for coverage on the date you become eligible or the date they first become your dependent, whichever is later. You must apply for coverage for yourself in order for your dependents to be eligible.

**Who qualifies as your dependent**

Your dependent must be your spouse or your child and a resident of Canada.

Your spouse by marriage or under any other formal union recognized by law, or your partner of the opposite sex or of the same sex who has been publicly represented as your spouse for at least the last year, is an eligible dependent. You can only cover one spouse at a time.

Your children and your spouse's children (other than foster children) are eligible dependents if they are not married or in any other formal union recognized by law, are under age 21 and are:

- working less than 30 hours a week, or
- working 30 hours or more a week, provided that they are attending an educational institution recognized under the Income Tax Act (Canada) at least 15 hours a week.

If a child becomes handicapped before the limiting age, we will continue coverage as long as:

- the child is incapable of financial self-support because of a physical or mental disability, and
- the child depends on you for financial support, and is not married nor in any other formal union recognized by law.

In these cases, you must notify Sun Life within 31 days of the date the child attains the limiting age. Your employer can give you more information about this.

**Enrolment**

You have to enrol to receive coverage. To enrol, you must request coverage in writing by supplying the appropriate enrolment information to your employer. For a dependent to receive coverage, you must request dependent coverage.

If you or your dependents are covered for comparable Extended Health Care or Dental Care coverage under this or another group plan, you may refuse this coverage under this plan. If, at a later date, the other coverage ends, you can enrol for coverage under this plan at that time.

**When coverage begins**

Your coverage begins on the date you become eligible for coverage.

If you are not actively working on the date coverage would normally begin, your coverage will not begin until you return to active work.

Dependent coverage begins on the date your coverage begins or the date you first have an eligible dependent, whichever is later.

However, for a dependent, other than a newborn child, who is hospitalized, coverage will begin when the dependent is discharged from hospital and is actively pursuing normal activities.

Once you have dependent coverage, any subsequent dependents will be covered automatically.

If there are additional conditions for a particular benefit, these conditions will appear in the appropriate benefit section later in this booklet.

**Changes affecting your coverage**

From time to time, there may be circumstances that change your coverage.

For example, your employment status may change, or your employer may change the group contract. Any resulting change in the coverage will take effect on the first day of the month following the date of the change in circumstances.

The following exceptions apply if the result of the change is an increase in coverage:

- if proof of good health is required, the change cannot take effect before Sun Life approves the proof of good health.
- if you are not actively working when the change occurs or when Sun Life approves proof of good health, the change cannot take effect before you return to active work.
- if a dependent, other than a newborn child, is hospitalized on the date when the change occurs, the change in the dependent's coverage cannot take effect before the dependent is discharged and is actively pursuing normal activities.

**Updating your records**

To ensure that coverage is kept up-to-date, it is important that you report any of the following changes to your employer:

- change of dependents.
- change of name.
- change of beneficiary.

**Accessing your records**

As required by legislation, for insured benefits, if you reside in Alberta or British Columbia, you may obtain copies of the following documents:

- your enrolment form or application for insurance.
- any written statements or other record, not otherwise part of the application, that you provided to Sun Life as evidence of insurability.

For insured benefits, on reasonable notice, you may also request a copy of the contract.

The first copy will be provided at no cost to you but a fee may be charged for subsequent copies.

All requests for copies of documents should be directed to one of the following sources:

- our Sun Life Financial Plan Member Services website at [www.mysunlife.ca](http://www.mysunlife.ca).
- our Sun Life Financial Customer Care centre by calling toll-free at 1-800-361-6212.

**When coverage ends**

As an employee, your coverage will end on the earlier of the following dates:

- the date your employment ends or the last day of the month in which you retire.

- the date you are no longer actively working.
- the end of the period for which premiums have been paid to Sun Life for your coverage.
- the date the group contract ends.

A dependent's coverage terminates on the earlier of the following dates:

- the date your coverage ends.
- the date the dependent is no longer an eligible dependent.
- the end of the period for which premiums have been paid for dependent coverage.

The termination of coverage may vary from benefit to benefit. For information about the termination of a specific benefit, please refer to the appropriate section of this employee benefits booklet.

**Replacement coverage**

The group contract will be interpreted and administered according to all applicable legislation and the guidelines of the Canadian Life and Health Insurance Association concerning the continuation of insurance following contract termination and the replacement of group insurance.

Sun Life will not be responsible for paying benefits if an insurer under a previous group contract is responsible for paying similar benefits.

If such legislation or guidelines require that Sun Life resume paying certain benefits because of a recurrence of an employee's total disability, Sun Life will resume payment at the same amount and for the remainder of the maximum benefit period.

**Making claims**

Sun Life is dedicated to processing your claims promptly and efficiently. You should contact your employer to get the proper form to make a claim.

There are time limits for making claims. These limits are discussed in the appropriate sections of this employee benefits booklet. If you fail to

abide by these time limits, you may not be entitled to some or all benefit payments.

All claims must be made in writing on forms approved by Sun Life.

For the assessment of a claim, Sun Life may require medical records or reports, proof of payment, itemized bills, or other information Sun Life considers necessary. Proof of claim is at your expense.

**Legal actions for insured benefits**

Except where or when applicable legislation permits the use of a different limitation period, every action or proceeding against an insurer for the recovery of insurance money payable under this contract is absolutely barred unless commenced within the time set out in the Insurance Act or the time set out in such other legislation as may apply to a claim, action or proceeding for insurance money.

Where or when applicable legislation permits the use of a different limitation period, no legal action or proceeding may be brought against Sun Life:

- regarding any claims for which no payment has been made by Sun Life, more than one year after the end of the time period in which the initial submission of proof of claim is required by the terms of the contract, or
- regarding claims for which some payment has been made by Sun Life, more than one year after the last payment made by Sun Life with respect to the claim.

**Legal actions for self-insured benefits**

No legal action may be brought by you more than one year after the date we must receive your claim forms.

**Coordination of benefits**

If you or your dependents are covered for Extended Health Care or Dental Care under this plan and another plan, our benefits will be coordinated with the other plan following insurance industry standards. These standards determine which plan you should claim from first.

The plan that does not contain a coordination of benefits clause is considered to be the first payer and therefore pays benefits before a

plan which includes a coordination of benefits clause.

For dental accidents, health plans with dental accident coverage pay benefits before dental plans.

The maximum amount that you can receive from all plans for eligible expenses is 100% of actual expenses.

Where both plans contain a coordination of benefits clause, claims must be submitted in the order described below.

***Claims for you and your spouse should be submitted in the following order:***

- the plan where the person is covered as an employee. If the person is an employee under two plans, the following order applies:
  - the plan where the person is covered as an active full-time employee.
  - the plan where the person is covered as an active part-time employee.
  - the plan where the person is covered as a retiree.
- the plan where the person is covered as a dependent.

***Claims for a child should be submitted in the following order:***

- the plan where the child is covered as an employee.
- the plan where the child is covered under a student health or dental plan provided through an educational institution.
- the plan of the parent with the earlier birth date (month and day) in the calendar year. For example, if your birthday is May 1 and your spouse's birthday is June 5, you must claim under your plan first.

- the plan of the parent whose first name begins with the earlier letter in the alphabet, if the parents have the same birth date.

The above order applies in all situations except when parents are separated/divorced and there is no joint custody of the child, in which case the following order applies:

- the plan of the parent with custody of the child.
- the plan of the spouse of the parent with custody of the child.
- the plan of the parent not having custody of the child.
- the plan of the spouse of the parent not having custody of the child.

When you submit a claim, you have an obligation to disclose to Sun Life all other equivalent coverage that you or your dependents have.

Your employer can help you determine which plan you should claim from first.

**Medical examination** We can require you to have a medical examination if you make a claim for benefits. We will pay for the cost of the examination. If you fail or refuse to have this examination, we will not pay any benefit.

**Recovering overpayments** We have the right to recover all overpayments of benefits either by deducting from other benefits or by any other available legal means.

**Definitions** Here is a list of definitions of some terms that appear in this employee benefits booklet. Other definitions appear in the benefit sections.

*Accident* An accident is a bodily injury that occurs solely as a direct result of a violent, sudden and unexpected action from an outside source.

*Basic earnings* Basic earnings are the salary you receive from your employer excluding any bonus, overtime or incentive pay.

***We, our and us*** We, our and us mean Sun Life Assurance Company of Canada.

## Extended Health Care (Medicare Supplement)

**Plan administrator** *This benefit is administered by Sun Life Assurance Company of Canada.*

**General description of the coverage** The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

In this section, *you* means the employee and all dependents covered for Extended Health Care benefits.

Prescription drugs –  
Plan 84**

We will cover 80% of the cost of the following drugs and supplies that are prescribed by a doctor or dentist and are obtained from a pharmacist. Drugs covered under this plan must have a Drug Identification Number (DIN) in order to be eligible.

- colostomy supplies.
- varicose vein injections.

Payments for any single purchase are limited to quantities that can reasonably be used in a 34 day period or, in the case of certain maintenance drugs, in a 100 day period as ordered by a doctor.

We will not pay for the following, even when prescribed:

- vaccines.
- infant formulas (milk and milk substitutes), minerals, proteins, vitamins and collagen treatments.

- hair growth stimulants.
- oral drugs for the treatment of sexual dysfunction.
- Norplant.
- drugs that are used for cosmetic purposes.
- natural health products, whether or not they have a Natural Product Number (NPN).
- drugs and treatments, and any services and supplies relating to

the administration of the drug and treatment, administered in a hospital, on an in-patient or out-patient basis, or in a government-funded clinic or treatment facility.

***Dispensing fee*** Eligible expenses for the dispensing fee are limited to \$11.99 for each prescription or refill.

***Drug substitution limit*** Charges in excess of the lowest priced equivalent drug are not covered unless the doctor specifies in writing that no substitution for the prescribed drug may be made.

***Other health professionals allowed to prescribe drugs*** We reimburse certain drugs prescribed by other qualified health professionals the same way as if the drugs were prescribed by a doctor or a dentist if the applicable provincial legislation permits them to prescribe those drugs.

**Hospital expenses in your province** We will cover 100% of the costs of out-patient services in a hospital in the province where you live, except for any services explicitly excluded under this benefit.

We will also cover the cost of room and board in a convalescent hospital if this care has been ordered by a doctor as long as:

- it follows at least 3 consecutive days of in-patient hospitalization,
- it begins within 14 days of release from the hospital, and
- it is primarily for rehabilitation.

The maximum amount payable is \$20 per day up to a maximum of 180 days for treatment of an illness due to the same or related causes.

For purposes of this plan, a *convalescent hospital* is a facility licensed to provide convalescent care and treatment for sick or injured patients on an in-patient basis. Nursing and medical care must be available 24 hours a day. It does not include a nursing home, rest home, home for the aged or chronically ill, sanatorium or a facility for treating alcohol or drug abuse.

A *hospital* is a facility licensed to provide care and treatment for sick

or injured patients, primarily while they are acutely ill. It must have facilities for diagnostic treatment and major surgery. Nursing care must be available 24 hours a day. It does not include a nursing home, rest home, home for the aged or chronically ill, sanatorium, convalescent hospital or a facility for treating alcohol or drug abuse or beds set aside for any of these purposes in a hospital.

**Expenses out of your province**

We will cover emergency services while you are outside the province where you live.

We will cover the cost of:

- other hospital services provided outside of Canada.
- out-patient services in a hospital.
- the services of a doctor.

Expenses for all other services or supplies eligible under this plan are also covered when they are incurred outside the province where you live, subject to the reimbursement level and all conditions applicable to those expenses.

***Emergency services***

We will pay 100% of the cost of covered emergency services.

We will only cover emergency services obtained within 60 days of the date you leave the province where you live. If hospitalization occurs within this period, in-patient services are covered until the date you are discharged.

*Emergency services* mean any reasonable medical services or supplies, including advice, treatment, medical procedures or surgery, required as a result of an emergency. When a person has a chronic condition, emergency services do not include treatment provided as part of an established management program that existed prior to the person leaving the province where the person lives.

*Emergency* means an acute illness or accidental injury that requires immediate, medically necessary treatment prescribed by a doctor.

At the time of an emergency, you or someone with you must contact Sun Life's Emergency Travel Assistance provider, Europ Assistance USA, Inc. (*Europ Assistance*). All invasive and investigative procedures (including any surgery, angiogram, MRI, PET scan, CAT scan), must be pre-authorized by Europ Assistance prior to being performed, except in extreme circumstances where surgery is performed on an emergency basis immediately following admission to a hospital.

If contact with Europ Assistance cannot be made before services are provided, contact with Europ Assistance must be made as soon as possible afterwards. If contact is not made and emergency services are provided in circumstances where contact could reasonably have been made, then Sun Life has the right to deny or limit payments for all expenses related to that emergency.

An emergency ends when you are medically stable to return to the province where you live.

***Emergency services  
excluded from  
coverage***

Any expenses related to the following emergency services are not covered:

- services that are not immediately required or which could reasonably be delayed until you return to the province where you live, unless your medical condition reasonably prevents you from returning to that province prior to receiving the medical services.
- services relating to an illness or injury which caused the emergency, after such emergency ends.
- continuing services, arising directly or indirectly out of the original emergency or any recurrence of it, after the date that Sun Life or Europ Assistance, based on available medical evidence, determines that you can be returned to the province where you live, and you refuse to return.
- services which are required for the same illness or injury for which you received emergency services, including any

complications arising out of that illness or injury, if you had unreasonably refused or neglected to receive the recommended medical services.

- where the trip was taken to obtain medical services for an illness or injury, services related to that illness or injury, including any complications or any emergency arising directly or indirectly out of that illness or injury.

**Medical services and equipment**

We will cover 100% of the costs for the medical services listed below when ordered by a doctor (the services of a licensed optometrist, ophthalmologist or dentist do not require a doctor's order).

Contact Sun Life for confirmation regarding eligibility and frequency. It is recommended that an estimate be submitted for expenses greater than \$200.

Expenses incurred outside Canada for emergency services will be paid based on the conditions specified above for emergency services under *Expenses out of your province*.

Expenses incurred outside Canada for emergency services will be paid based on the conditions specified above for emergency services under *Expenses out of your province*.

- services of an ophthalmologist or licensed optometrist, up to a maximum of \$50 per person over 2 benefit years.

- licensed podiatrists or chiropodists, including a maximum of one x-ray examination each benefit year. The cost of x-ray examinations are not included in the benefit year maximum.

We will not pay for the cost of services rendered by a podiatrist in Ontario unless they are performed after the provincial medicare plan has paid its annual maximum benefit.

**Vision care**

We will cover the costs for:

- contact lenses or eyeglasses, including replacement lenses and/or frames and tinting of lenses, and prescription sunglasses and

safety glasses, prescribed by an ophthalmologist or licensed optometrist and obtained from an ophthalmologist, licensed optometrist or optician.

- services of an ophthalmologist or licensed optometrist.
- laser eye correction surgery performed by an ophthalmologist.

We will cover 100% of these costs, up to a maximum of \$300 per person in any 24 month period.

We will also cover the cost of contact lenses for special conditions such as severe corneal astigmatism, severe corneal scarring, keratoconus (conical cornea), aphakia or when acuity in the better eye cannot be improved to at least 20/40 with glasses, up to a lifetime maximum of \$600 for each person.

We will not pay for magnifying glasses of any kind.

**When coverage ends** Extended Health Care coverage will end on the last day of the month in which the employee retires or reaches age 65, whichever is earlier.

Coverage may also end on an earlier date, as specified in *General Information*.

**Payments after coverage ends** If you are totally disabled when your coverage ends, benefits will continue for expenses that result from the illness that caused the total disability if the expenses are incurred:

- during the uninterrupted period of total disability,
- within 90 days of the end of coverage, and
- while this provision is in force.

For the purpose of this provision, an employee is totally disabled if prevented by illness from performing any occupation the employee is or may become reasonably qualified for by education, training or experience, and a dependent is totally disabled if prevented by illness from performing the dependent's normal activities.

If the Extended Health Care benefit terminates, you will still be covered for procedures to repair natural teeth damaged by an accidental blow if the accident occurred while you were covered, and the procedure is performed within 6 months after the date of the accident.

**What is not covered** We will not pay for the costs of:

- services or supplies payable or available (regardless of any waiting list) under any government-sponsored plan or program, except as described below under *Integration with government programs*.
- services or supplies to the extent that their costs exceed the reasonable and usual rates in the locality where the services or supplies are provided.
- equipment that Sun Life considers ineligible (examples of this equipment are orthopaedic mattresses, exercise equipment, air-conditioning or air-purifying equipment, whirlpools, humidifiers, and equipment used to treat seasonal affective disorders).
- any services or supplies that are not usually provided to treat an illness, including experimental treatments.
- services or supplies for which no charge would have been made in the absence of this coverage.
- tens machine.
- stimulators and supplies.
- abdominal spinal and wrists supports.

We will not pay benefits when the claim is for an illness resulting from:

- the hostile action of any armed forces, insurrection or participation in a riot or civil commotion.

- any work for which you were compensated that was not done for the employer who is providing this plan.
- participation in a criminal offence.

We will also not pay benefits when compensation is available under a Workplace Safety and Insurance Board, Criminal Injuries Compensation Act or similar legislation.

**Integration with government programs**

This plan will integrate with benefits payable or available under the government-sponsored plan or program (the *government program*).

The covered expense under this plan is that portion of the expense that is not payable or available under the government program, regardless of:

- whether you have made an application to the government program,
- whether coverage under this plan affects your eligibility or entitlement to any benefits under the government program, or
- any waiting lists.

**When and how to make a claim**

To make a claim, complete the claim form that is available from your employer.

In order for you to receive benefits, we must receive the claim no later than 90 days after the earlier of:

- the end of the benefit year during which you incur the expenses, or
- the end of your Extended Health Care coverage.

## Emergency Travel Assistance

**Plan administrator** *This benefit is administered by Sun Life Assurance Company of Canada.*

**General description of the coverage** The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

In this section, *you* means the employee and all dependents covered for Emergency Travel Assistance benefits.

If you are faced with a medical emergency when travelling outside of the province where you live, Europ Assistance USA, Inc. (*Europ Assistance*) can help.

*Emergency* means an acute illness or accidental injury that requires immediate, medically necessary treatment prescribed by a doctor.

This benefit, called **Medi-Passport**, supplements the emergency portion of your Extended Health Care coverage. It only covers emergency services that you obtain within 60 days of leaving the province where you live. If hospitalization occurs within this time period, in-patient services are covered until you are discharged.

The Medi-Passport coverage is subject to any maximum applicable to the emergency portion of the Extended Health Care benefit. The emergency services excluded from coverage, and all other conditions, limitations and exclusions applicable to your Extended Health Care coverage also apply to Medi-Passport.

We recommend that you bring your Travel card with you when you travel. It contains telephone numbers and the information needed to confirm your coverage and receive assistance.

**Getting help** **At the time of an emergency, you or someone with you must**

**contact Europ Assistance. If contact with Europ Assistance cannot be made before services are provided, contact with Europ Assistance must be made as soon as possible afterwards. If contact is not made and emergency services are provided in circumstances where contact could reasonably have been made, then Sun Life has the right to deny or limit payments for all expenses related to that emergency.**

Access to a fully staffed coordination centre is available 24 hours a day. Please consult the telephone numbers on the Travel card.

Europ Assistance may arrange for:

**On the spot medical assistance**

Europ Assistance will provide referrals to physicians, pharmacists and medical facilities.

As soon as Europ Assistance is notified that you have a medical emergency, its staff, or a physician designated by Europ Assistance, will, when necessary, attempt to establish communications with the attending medical personnel to obtain an understanding of the situation and to monitor your condition. If necessary, Europ Assistance will also guarantee or advance payment of the expenses incurred to the provider of the medical service.

Europ Assistance will provide translation services in any major language that may be needed to communicate with local medical personnel.

Europ Assistance will transmit an urgent message from you to your home, business or other location. Europ Assistance will keep messages to be picked up in its offices for up to 15 days.

**Transportation home or to a different medical facility**

Europ Assistance may determine, in consultation with an attending physician, that it is necessary for you to be transported under medical supervision to a different hospital or treatment facility or to be sent home.

In these cases, Europ Assistance will arrange, guarantee, and if necessary, advance the payment for your transportation.

Sun Life or Europ Assistance, based on available medical evidence, will make the final decision whether you should be moved, when, how and to where you should be moved and what medical equipment, supplies and personnel are needed.

**Meals and accommodations expenses**

If your return trip is delayed or interrupted due to a medical emergency or the death of a person you are travelling with who is also covered by this benefit, Europ Assistance will arrange for your meals and accommodations at a commercial establishment. We will pay a maximum of \$150 a day for each person for up to 7 days.

Europ Assistance will arrange for meals and accommodations at a commercial establishment, if you have been hospitalized due to a medical emergency while away from the province where you live and have been released, but, in the opinion of Europ Assistance, are not yet able to travel. We will pay a maximum of \$150 a day for up to 5 days.

**Travel expenses home if stranded**

Europ Assistance will arrange and, if necessary, advance funds for transportation to the province where you live:

- for you, if due to a medical emergency, you have lost the use of a ticket home because you or a dependent had to be hospitalized as an in-patient, transported to a medical facility or repatriated; or
- for a child who is under the age of 16, or mentally or physically handicapped, and left unattended while travelling with you when you are hospitalized outside the province where you live, due to a medical emergency.

If necessary, in the case of such a child, Europ Assistance will also make arrangements and advance funds for a qualified attendant to accompany them home. The attendant is subject to the approval of you or a member of your family.

We will pay a maximum of the cost of the transportation minus any redeemable portion of the original ticket.

**Travel expenses of family members**

Europ Assistance will arrange and, if necessary, advance funds for one round-trip economy class ticket for a member of your immediate family to travel from their home to the place where you are hospitalized if you are hospitalized for more than 7 consecutive days, and:

- you are travelling alone, or
- you are travelling only with a child who is under the age of 16 or mentally or physically handicapped.

We will pay a maximum of \$150 a day for the family member's meals and accommodations at a commercial establishment up to a maximum of 7 days.

**Repatriation**

If you die while out of the province where you live, Europ Assistance will arrange for all necessary government authorizations and for the return of your remains, in a container approved for transportation, to the province where you live. We will pay a maximum of \$5,000 per return.

**Vehicle return**

Europ Assistance will arrange and, if necessary, advance funds up to \$500 for the return of a private vehicle to the province where you live or a rental vehicle to the nearest appropriate rental agency if death or a medical emergency prevents you from returning the vehicle.

**Lost luggage or documents**

If your luggage or travel documents become lost or stolen while you are travelling outside of the province where you live, Europ Assistance will attempt to assist you by contacting the appropriate authorities and by providing directions for the replacement of the luggage or documents.

**Coordination of coverage**

You do not have to send claims for doctors' or hospital fees to your provincial medicare plan first. This way you receive your refund faster. Sun Life and Europ Assistance coordinate the whole process with most provincial plans and all insurers, and send you a cheque for the eligible expenses. Europ Assistance will ask you to sign a form authorizing them to act on your behalf.

If you are covered under this group plan and certain other plans, we will coordinate payments with the other plans in accordance with guidelines adopted by the Canadian Life and Health Insurance Association.

The plan from which you make the first claim will be responsible for managing and assessing the claim. It has the right to recover from the other plans the expenses that exceed its share.

**Limits on advances**

Advances will not be made for requests of less than \$200. Requests in excess of \$200 will be made in full up to a maximum of \$10,000.

The maximum amount advanced will not exceed \$10,000 per person per trip unless this limit will compromise your medical care.

**Reimbursement of expenses**

If, after obtaining confirmation from Europ Assistance that you are covered and a medical emergency exists, you pay for services or supplies that were eligible for advances, Sun Life will reimburse you.

To receive reimbursement, you must provide Sun Life with proof of the expenses within 30 days of returning to the province where you live. Your employer can provide you with the appropriate claim form.

**Your responsibility for advances**

You will have to reimburse Sun Life for any of the following amounts advanced by Europ Assistance:

- any amounts which are or will be reimbursed to you by your provincial medicare plan.
- that portion of any amount which exceeds the maximum amount of your coverage under this plan.
- amounts paid for services or supplies not covered by this plan.
- amounts which are your responsibility, such as deductibles and the percentage of expenses payable by you.

Sun Life will bill you for any outstanding amounts. Payment will be due when the bill is received. You can choose to repay Sun Life over a 6 month period, with interest at an interest rate established by Sun Life

from time to time. Interest rates may change over the 6 month period.

**Limits on Emergency  
Travel Assistance  
coverage**

There are countries where Europ Assistance is not currently available for various reasons. For the latest information, please call Europ Assistance before your departure.

Europ Assistance reserves the right to suspend, curtail or limit its services in any area, without prior notice, because of:

- a rebellion, riot, military up-rising, war, labour disturbance, strike, nuclear accident or an act of God.
- the refusal of authorities in the country to permit Europ Assistance to fully provide service to the best of its ability during any such occurrence.

**Liability of Sun Life  
or Europ Assistance**

Neither Sun Life nor Europ Assistance will be liable for the negligence or other wrongful acts or omissions of any physician or other health care professional providing direct services covered under this group plan.

## Dental Care

**Plan administrator** *This benefit is administered by Sun Life Assurance Company of Canada.*

**General description of the coverage** The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

In this section, *you* means the employee and all dependents covered for Dental Care benefits.

Dental Care coverage pays for eligible expenses that you incur for dental procedures provided by a licensed dentist, denturist, dental hygienist and anaesthetist while you are covered by this group plan.

For each dental procedure, we will only cover reasonable expenses. We will not cover more than the fee stated in the Dental Association Fee Guide for general practitioners in the province where the employee lives which was current one year prior to the date the eligible expenses were incurred, regardless of where the treatment is received.

Services provided by a board qualified specialist in endodontics, prosthodontics, oral surgery, periodontics, paedodontics or orthodontics whose dental practice is limited to that speciality are limited to the amount payable under the Fee Guide for general practitioners.

When deciding what we will pay for a procedure, we will first find out if other or alternate procedures could have been done. These alternate procedures must be part of usual and accepted dental work and must obtain as adequate a result as the procedure that the dentist performed. We will not pay more than the reasonable cost of the least expensive alternate procedure.

For an implant related crown or prosthesis, we will pay the benefit that

would have been payable under this plan for a tooth supported crown or a non implant related prosthesis, respectively. We will take into account any limitations that would have applied if there had been no implant. All other expenses related to implants, including surgery charges, are not covered.

If you receive any temporary dental service, it will be included as part of the final dental procedure used to correct the problem and not as a separate procedure. The fee for the permanent service will be used to determine the usual and reasonable charge for the final dental service.

An expense must be claimed for the benefit year in which the expense is incurred. You incur an expense on the date your dentist performs a single appointment procedure. For procedures which take more than one appointment, you incur an expense once the entire procedure is completed.

The benefit year is from January 1 to December 31.

**Deductible**

There is no deductible for this coverage.

**Benefit year maximum**

We will not pay more than:

- \$2,000 per person for each benefit year for Preventive and Basic dental procedures combined.
- \$2,000 per person for each benefit year for Major dental procedures.

**Predetermination**

We suggest that you send us an estimate, before the work is done, for any major treatment or any procedure that will cost more than \$200. You should send us a completed dental claim form that shows the treatment that the dentist is planning and the cost. Both you and the dentist will have to complete parts of the claim form. We will tell you how much of the planned treatment is covered. This way you will know how much of the cost you will be responsible for before the work is done.

**Preventive dental procedures**

Your dental benefits include the following procedures used to help prevent dental problems. They are procedures that a dentist performs regularly to help maintain good dental health.

We will pay 100% of the eligible expenses for these procedures.

*Oral examinations*

1 complete examination every 36 months.

1 recall examination every 9 months.

Emergency or specific examinations.

*X-rays*

1 complete series of x-rays or 1 panorex every 36 months.

1 set of bitewing x-rays every 9 months.

X-rays to diagnose a symptom or examine progress of a particular course of treatment.

*Other services*

Required consultations between two dentists.

Polishing (cleaning of teeth) once every 9 months.

Topical fluoride treatment once every 9 months for children under the age of 18.

Emergency or palliative services.

Diagnostic tests and laboratory examinations.

Removal of impacted teeth and related anaesthesia.

Provision of space maintainers for missing primary teeth.

<i>Fillings</i>	Amalgam, composite, acrylic or equivalent.
<i>Extraction of teeth</i>	Removal of teeth, except removal of impacted teeth ( <i>Preventive dental procedures</i> ).
<i>Basic restorations</i>	Prefabricated metal restorations and repairs to prefabricated metal restorations, other than in conjunction with the placement of permanent crowns.
<i>Endodontics</i>	Root canal therapy and root canal fillings, treatment of disease of the pulp tissue and chemical bleaching of teeth.
<i>Periodontics</i>	Treatment of disease of the gum and other supporting tissue, excluding temporomandibular joint (TMJ) treatment.
	Occlusal equilibration, 8 units every 12 months.
<i>Scaling and root planing</i>	<b>Tartar removal.</b> Scaling means removing calcium deposits above and below the gum line. Root planing is the final smoothing of rough tooth surfaces and removing any remaining calcium deposits.
	You are covered for up to 8 units of 15 minutes of tartar removal in a benefit year.
<i>Oral surgery</i>	Surgery and related anaesthesia, including transplantation of erupted teeth, other than: removal of impacted teeth ( <i>Preventive dental procedures</i> ), implants, transplants of unerupted teeth and repositioning of the jaw.
<b>Major dental procedures</b>	Your dental benefits include the following procedures used to treat major dental problems.
	We will pay 75% of the eligible expenses for these procedures.
<i>Major restorations</i>	Inlays and onlays. Crowns and repairs to crowns, other than prefabricated metal restorations ( <i>Basic dental procedures</i> ).
<i>Repair</i>	Repair of bridges.

**Prosthodontics** Construction and insertion of bridges. Charges for a replacement bridge are not considered an eligible expense during the 5 year period following the construction or insertion of a previous bridge unless:

- it is needed to replace a bridge which has caused temporomandibular joint disturbances and which cannot be economically modified to correct the condition.
- it is needed to replace a bridge due to an accidental injury.

Diagnostic casts.

**When coverage ends** Dental Care coverage will end on the last day of the month in which the employee retires or reaches age 65, whichever is earlier.

Coverage may also end on an earlier date, as specified in *General Information*.

**Payments after coverage ends** If the Dental Care benefit terminates, you will still be covered for procedures to repair natural teeth damaged by an accidental blow if the accident occurred while you were covered, and the procedure is performed within 6 months after the date of the accident.

**What is not covered** We will not pay for services or supplies payable or available (regardless of any waiting list) under any government-sponsored plan or program unless explicitly listed as covered under this benefit.

We will not pay for services or supplies that are not usually provided to treat a dental problem.

We will not pay for:

- procedures performed primarily to improve appearance.
- the replacement of dental appliances that are lost, misplaced or stolen.
- charges for appointments that you do not keep.

- charges for completing claim forms.
- services or supplies for which no charge would have been made in the absence of this coverage.
- supplies usually intended for sport or home use, for example, mouthguards.
- procedures or supplies used in full mouth reconstructions (capping all of the teeth in the mouth), vertical dimension corrections (changing the way the teeth meet) including attrition (worn down teeth), alteration or restoration of occlusion (building up and restoring the bite), or for the purpose of prosthetic splinting (capping teeth and joining teeth together to provide additional support).
- transplants, and repositioning of the jaw.
- experimental treatments.

We will also not pay for dental work resulting from:

- the hostile action of any armed forces, insurrection or participation in a riot or civil commotion.
- teeth malformed at birth or during development.
- participation in a criminal offence.

We will also not pay benefits when compensation is available under a Workplace Safety and Insurance Board, Criminal Injuries Compensation Act or similar legislation.

**When and how to make a claim**

To make a claim, complete the claim form that is available from your employer. The dentist will have to complete a section of the form.

In order for you to receive benefits, we must receive a claim no later than 90 days after the earlier of:

- the end of the benefit year during which you incur the expenses,

or

- the end of your Dental Care coverage.

We can require that you give us the dentist's statement of the treatment received, pre-treatment x-rays and any additional information that we consider necessary.

## Health Spending Account

**Plan administrator** *This benefit is administered by Sun Life Assurance Company of Canada.*

**General description of the coverage** The contract holder has the sole legal and financial liability for this benefit. Sun Life only acts as administrator on behalf of the contract holder.

Your Health Spending Account coverage pays for services or supplies described in this section under *Eligible expenses*.

An expense is incurred on the date the services are received or the supplies are purchased or rented. Eligible expenses incurred by a dependent are also covered. Coverage applies only to expenses incurred after the employee becomes covered under the Health Spending Account and before the date the Health Spending Account ends.

A dependent is any person for whom you may claim a medical expense tax credit on your federal tax return in the taxation year. For example, this could include members of your extended family, such as your parents, grandparents or grandchildren.

The benefit year is from January 1 to December 31.

**How your Health Spending Account works**

Your Health Spending Account works like an expense account. Your employer will allocate plan credits to your account in the manner described under *Plan credits*.

Each time you submit a Health Spending Account claim, either for yourself or for a dependent, you will be reimbursed for eligible expenses, up to the balance of your account. Expenses incurred in one benefit year cannot be covered by credits received in the following benefit year.

Credits can only be used to provide reimbursement for eligible expenses. Under the Income Tax Act, the definition of eligible expenses is quite wide. These expenses are shown below. Credits cannot be cashed out and will be lost unless used. You can avoid the loss of credits by using them before the end of the benefit year following the benefit year in which they have been allocated to your account, and before any earlier termination of this benefit or your coverage.

There are a number of reasons why Health Spending Account is tax-effective for you. Eligible expenses are specifically limited to expenses not covered under another plan or under another benefit of this plan. If you paid for these expenses on your own, you would have to use expensive "after-tax" dollars. On the other hand, your Health Spending Account is sheltered from federal and provincial (except Québec) income tax. In most circumstances, this means that when you use plan credits to pay for expenses, you are using less expensive "pre-tax" dollars. The result is extra savings for you.

**Continuation of coverage for dependents**

The Health Spending Account is set up under the employee's name, and there cannot be any continuation of coverage for dependents after the employee's death. Only expenses incurred before the employee's death can be covered under the employee's Health Spending Account.

**Plan credits**

\$450 on the commencement of each benefit year

**Eligible expenses**

Coverage includes the following items provided they qualify as tax deductible medical expenses under the Income Tax Act (Canada) **and** are not payable under any other private or government plan. If the list of items qualifying as tax deductible medical expenses under the Income Tax Act (Canada) is changed, this plan is automatically updated to reflect the changes.

*Drugs* ■ drugs, medications or other preparations or substances prescribed by a licensed medical practitioner or dentist.

| <i>Attendant care</i>                            | ■ remuneration for a full-time attendant, or for the cost of full-time care in a nursing home, of a patient who has a severe and prolonged mental or physical impairment; the condition must be certified by a medical doctor or an optometrist, where applicable; an impairment is considered severe and prolonged if it markedly restricts daily activities and can reasonably be expected to last for a continuous period of at least 12 months.<br><br>■ remuneration for a full-time attendant if the patient lives in a self-contained domestic establishment (for example, his home); a doctor must certify that the patient is likely to be dependent on others for his personal needs by reason of physical or mental infirmity that is of indefinite duration. |
| <i>Facilities</i>                                | ■ amounts paid to a nursing home for the full-time care of a patient who, due to a lack of normal mental capacity, will be dependent upon others at that time and for the foreseeable future.<br><br>■ payments to a special school, institution or other place for care, training, or use of equipment, facilities or personnel, with regard to a mentally or physically handicapped individual; an "appropriately qualified person" must certify the individual and his or her special requirements.   |
