

THE TOWN OF OAKVILLE AND MATTAMY HOMES

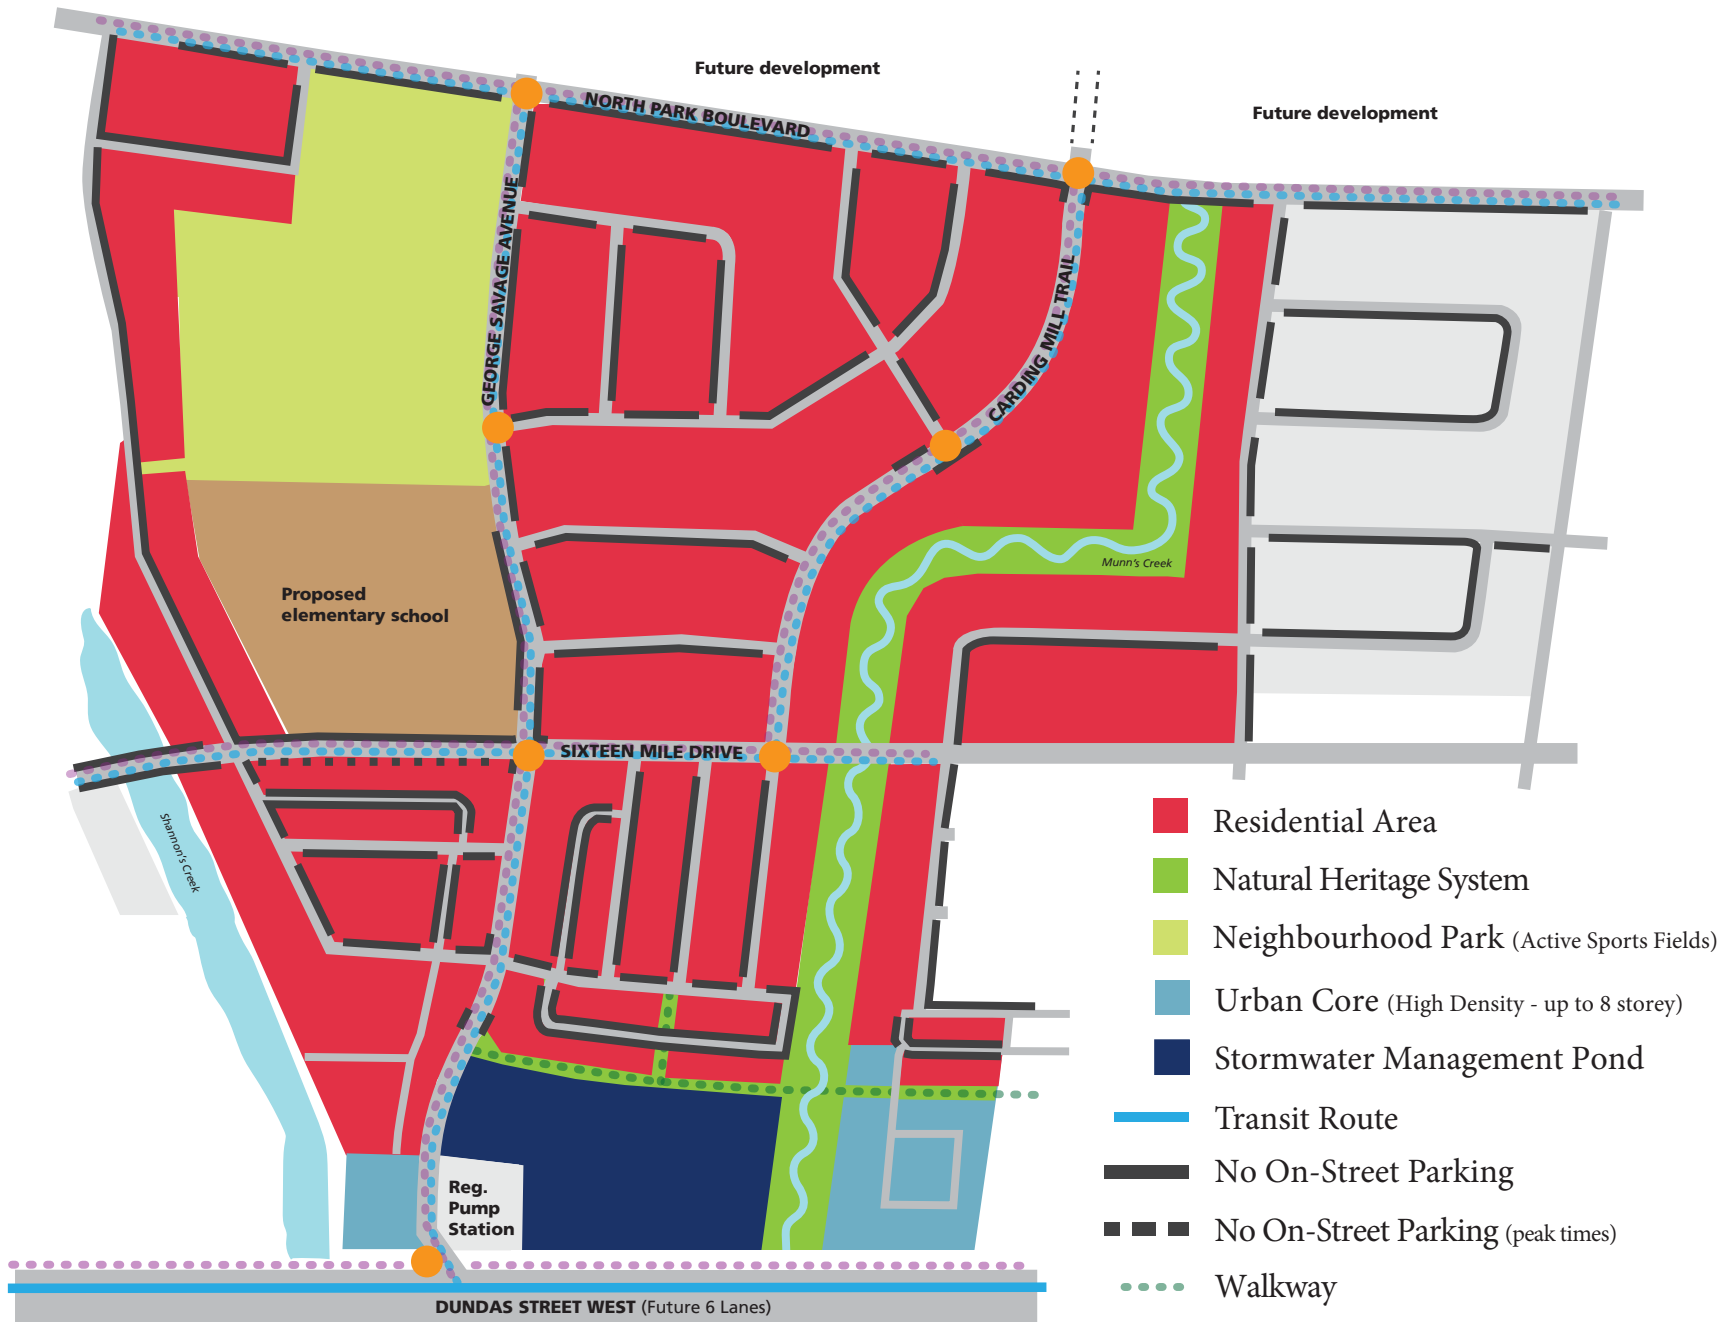

WELCOME YOU TO THE NEW COMMUNITIES OF OAKVILLE AND THE PRESERVE.

For Mattamy, this will be like a homecoming, starting their company in Oakville in 1978 and proudly remaining a corporate citizen.

The Preserve is located between Neyagawa Road and Sixth Line, north of Dundas Street and includes a full array of townhomes and detached houses.

This is Mattamy's signature community. The Town of Oakville and Mattamy will ensure that The Preserve is built to the Livable Oakville standards.

The map shows residential and commercial/mixed use areas, trails and cycling paths, primary transit routes, noise walls, future roads, facilities, and bus stops, and restricted parking. Further details and information can be found on the town's website at www.oakville.ca
