

Revitalizing Downtown

# Two-way street conversions

# Two-way street conversions

The Town of Oakville will convert the roads in downtown Oakville from one-way to two-way streets. While work is underway, the streets will be open to one-lane of traffic and on-street parking will be temporarily removed. Any changes to transit routes will be posted on [oakvilletransit.ca](http://oakvilletransit.ca). The following is a schedule of the streets under construction:

**Thomas Street, Dunn Street, George Street** *October 23–24*

Two-way conversion from Randall Street to Lakeshore Road includes new signage and pavement markings.

**Church Street** *October 29–31*

Two-way conversion and resurfacing from Navy Street to Allan Street includes asphalt grinding, new pavement, signage and markings.

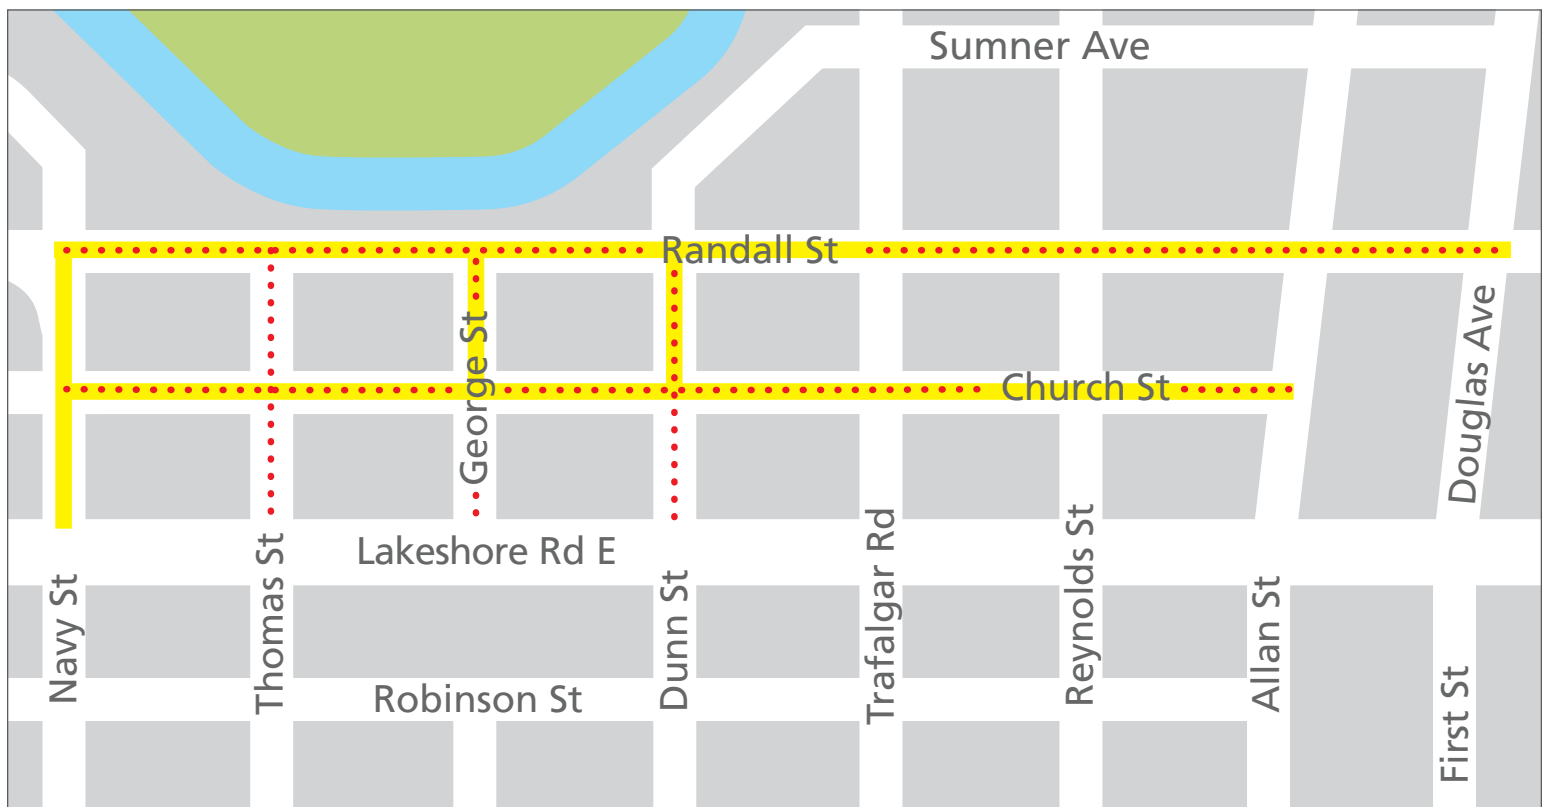

**Randall Street** *November 5–7*

Two-way conversion and resurfacing from Navy Street to Douglas Street includes asphalt grinding, new pavement, signage and markings.

**Navy Street, Dunn Street, George Street** *November 12–14*

Resurfacing on Navy Street (Randall Street to Lakeshore Road), Dunn Street and George Street (Randall Street to Church Street) includes asphalt grinding, new pavement and markings.

Thank you for your patience.

..... Two-way conversion      ——— Resurfacing\*

\*Remaining roads will be resurfaced during the Lakeshore Road Reconstruction.

## How do I keep informed?

### Ask

Meet with Communication Liaison,  
Mary Vallee, or email [mary.vallee@oakville.ca](mailto:mary.vallee@oakville.ca)

### Visit

Share your views and feedback  
at the Project Office

### Learn

Ensure everyone reads the information  
flyers delivered to your location

### Go online

Visit [oakville.ca](http://oakville.ca)

## The Project Office — 193 Church Street

The Project Office, located in the former Post Office on Church Street, is open Monday to Friday and during downtown events. This location is 'information central' on everything construction. Staff will be on-hand, ready to answer any questions and provide information.
