

Safety and success with inflatables and bouncy castles

Documents and information you'll need

Ask your rental company for:

- ❑ TSSA Amusement License
- ❑ TSSA Amusement Permit per device
- ❑ Certified amusement operator on site
- ❑ An insurance certificate for \$5 million naming the Town of Oakville as an additional insured
- ❑ Rent appropriate weights for the inflatable's size (no staking allowed!)

Have you considered?

Managing long line ups

Total capacity on ride

Height or age restriction

First Aid service

Safe entry and exit points

Different types of inflatables

Safe placement at event site

Power source and generator location

Managing overcrowding

Safety tips

Be aware of inclement weather or high winds

Have soft matting surrounding the inflatable

Ensure direct supervision

Have permit number on device

Clear area under ride

No shoes allowed

No food or drink on the inflatable
