

Orange Shirt Day Project

Orange Shirt Day honours Indigenous children and families affected by Canada's residential schools.

As part of Oakville's Orange Shirt Day display, we are creating installations at town community centres to demonstrate our commitment to awareness and reconciliation.

Share your message about the importance of Orange Shirt Day, the value of every child, or your message of hope and reconciliation. Visit any town community centre until October 1 to attach your paper shirt to our temporary display. The Orange Shirt Day project will be on display until October 15.

Please write your message on the shirt and trim it before delivering to community centres.
