RE: **Site Servicing and Grading Engineering Certification
Proposed Residential Row House - Condominium
#95 Brookfield Road, Oakville
Permit No: 19-000803**

We have been periodically on-site throughout the construction process and have reviewed the installation of the proposed storm sewers, watermain, sanitary sewer and their appurtenances and grading as per the engineering plan. The Odan/Detech Group Inc. hereby certifies that the proposed services and grading comply with sound engineering design and that the newly installed services sewers are in general conformity with the approved plans as approved by the Town of Oakville and as per the Ontario Building Code.

We hope this letter is satisfactory. If you have any questions, please do not hesitate to call our office.

Sincerely,

Paul Hecimovic, P.Eng.,
Senior Project Engineer.
