

DRAFT

The Livable Oakville Official Plan is amended as follows:

A. Schedule Changes

1. Schedule M1, Uptown Core Land Use, is amended as shown in Appendix A.
2. Schedule M2, Uptown Core Building Heights is amended as shown in Appendix A.

B. Text Changes

Part E, Section 21.6 Uptown Core Exceptions, is amended as follows:

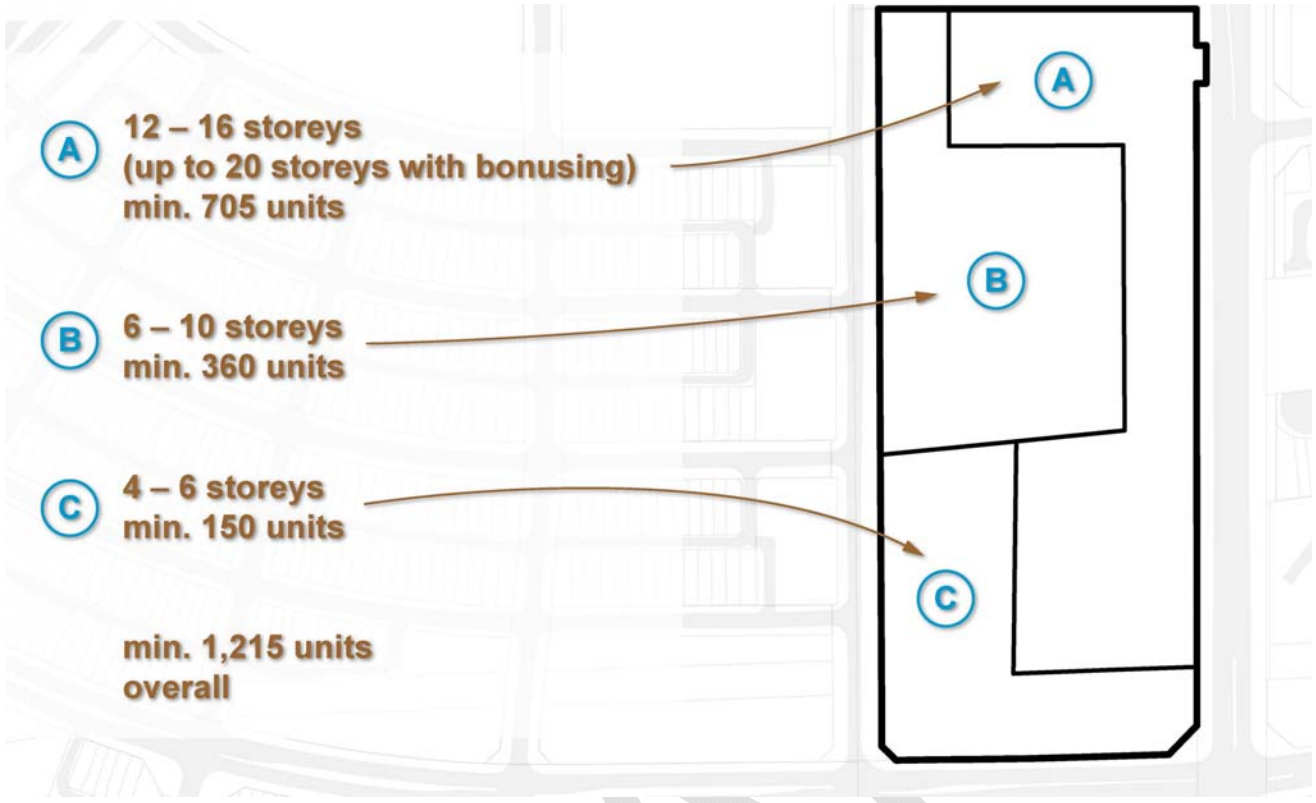

21.6.5

The development of the former Public Works site shall be subject to a comprehensive Master Plan. The site shall be composed of several development blocks, each with an individual minimum density and a height range, as shown in the graphic below to allow for a minimum of 1,215 units. Stand-alone townhouses shall also be permitted in Block 'C'.

Ground floor retail / commercial shall be required along Georgian Drive between Taunton and Trafalgar, in conformity with the Master Plan. Office uses are permitted in this area.

<Minimum number of units>

<Describe height bonussing>
