Grant Objectives

This new program is intended to enable Oakville residents to take the lead on activations that bring people together, make places better and enrich the community. The Community Activation Grant is intended to provide small value financial and staff advisory support to community-initiated ideas and help bring them to life. Through minor funding or ‘micro’ grants issued to residents, informal groups, and community organizations, this program will build capacity in the community to bring people together around a common interest, bring awareness, and/or enhance spaces. A small investment can go a long way to enrich the vibrancy and livability of Oakville for all.

Program Objectives:

- Focus on small scale community events, activities, and programs, to enhance community capacity and increase access,
- Support residents, ad-hoc groups, and not-for-profit organizations to enhance the community wellbeing for all Oakville residents by building capacity through engaging activations and project,
- Provide a user-friendly collaborative application and administration process to reduce barriers and provide opportunities,
- Prioritize new activations and projects that are that are not eligible for other direct or indirect town funding streams such as the Cultural Grant or Special Event Fee Assistance programs.

Supporting Council’s strategic priority, Community Belonging, this new Community Activation Grant program will enable residents to come together to lead and implement new initiatives in their community. The program will provide financial support and staff guidance to make these small but impactful ideas come to life.

Successful grant applications will demonstrate how the project aligns with this mandate through:

1. Enhancing connectedness between neighbours:
 - i. Renew or revitalize neighbourhood public and green spaces, contributing to neighbourhood beautification and celebration,
 - ii. Develop stronger relationships between neighbours and neighbourhood groups, and
 - iii. Entrust residents to become more actively involved in their neighbourhoods through working together as neighbours.
2. Reducing isolation and loneliness amongst older adults:
 - i. Improve safety, accessibility and/or mobility.
3. Expanding access by providing programs and services to equity deserving individuals and groups (including but not limited to):
 - i. Black
 - ii. Indigenous
 - iii. People of Colour/Racialized Residents
 - iv. 2SLGBTQIA
 - v. Women
 - vi. Low Income
 - vii. Older Adults
 - viii. Newcomers

- ix. Experiencing varying abilities/disabilities
- x. Experiencing barriers participating in community events (e.g., domestic abuse victims, food bank patrons, etc.)
- 4. Championing mental health and wellness
- 5. Championing physical literacy and wellness
- 6. Championing arts and culture in the community

Applicant Eligibility

Applicants must be:

- Informal or ad-hoc group of residents:
 - Applicants must demonstrate that their informal group is composed of a minimum of five residents who live in Oakville and can provide sufficient information to substantiate the ability to operate the program or event activation. Application Process

Applicants need to complete the online application form. Templates are also provided a community map, and the neighbourhood support list. Paper copies are available at town hall upon request. At this time, there is no deadline to apply for a Community Activation Grant.

Initial evaluation of all applications will be completed by the Community Development team. Depending on the type of application and activation (i.e., indoor, outdoor public space, or neighbourhood road closure), staff will identify additional departments internally to provide assistance with the review as needed. The application review process can take up to eight weeks to complete.

Applications will be evaluated based on their ability to demonstrate and enhance a sense of community belonging with one or more key targeted needs (as outlined in the *Program Mandate*, pg. 3), project and applicant eligibility, overall strength of the application, ease of implementation, and the communication and work plan for the application.

Supplementary information will be beneficial to the town to help illustrate and summarize the application. Multiple templates are available to help assist applicants complete their application as needed.

Successful approved grant submissions will require the applicants to enter into an agreement for the disbursement of funds. Funds will be disbursed approximately two weeks after the

signed agreement is received. All funds must be spent as documented in the application submission and project guidelines. Applicants agree to report back upon completion of the project, within 60 days, including an accounting of all expenses, with proof of purchases, if requested. Receipts are not required to be submitted but the applicant must keep all receipts/ proof of purchases with them for a period of 12 months. Eligibility for future grants will be impacted if the report is not completed.

Submissions that may require further elaboration, or are not successful, will be followed up on by town staff. Unsuccessful applicants may submit an appeal to the Community Development team in the case where it can be demonstrated that the information in the application was misunderstood in the assessment process. All appeals will be reviewed by the Director of Recreation and Culture.
