

# Stormwater Fee Review Application

Stormwater fee assessments are based on the Town's best available information and assessment information is available at [oakville.ca/stormwaterfee](http://oakville.ca/stormwaterfee).

## Stormwater Fee Assessment Reviews

- Site visits will not be carried out as part of the review process.
- Assessments will not be reviewed based on soil types and green space, ratio of hard surface area to property area, proximity to creeks, rivers, ditches, or other drainage features, or presence of private stormwater systems or measures.
- A review may result in the stormwater fee being adjusted or unchanged.
- Applicants may be contacted for additional information.
- If you are submitting a request on behalf of the property owner, please make sure to include a letter of authorization.
- You may attach a copy of your property tax bill to help us process your request.

## How To Request a Review

Complete and submit this form using one method.

- Email to [stormwaterfee@oakville.ca](mailto:stormwaterfee@oakville.ca)

## My Current Assessment

### Type of Property

Residential Property

Low Density (single detached homes, farms with residences, commercial farms)

Medium Density (semi-detached, link homes, row houses)

High Density (condominiums, townhomes, duplexes to six-plexes, and multi-residential buildings with seven or more units)

## Non-Residential Property

Commercial and industrial properties

Institutional and mixed-use properties

Special properties (golf courses and vacant development land)

## Assessment Concern

My property has been assigned to the incorrect category (e.g., Residential or Non-Residential)

My property has been assigned to the incorrect tier (e.g., Low Density Residential, Medium Density Residential, High Density Residential, Institutional/Mixed Use, Commercial/Industrial, or Special)

Information used to calculate my stormwater fee assessment may be inaccurate

My property may be exempt from the stormwater fee (legal or other exemption)

My concern is not listed (please describe):
